May 23, 2019

Acquisition of Established Downtown Detroit Property Further Expands and Diversifies Penn National's Regional Gaming Platform to 42 Properties in 19 Jurisdictions and Adds Largest Single Property Customer Database to Loyalty Program

Transaction to be Immediately Accretive to Operating Results with a Post Synergy Multiple of Approximately 6.3x

WYOMISSING, Pa.--(BUSINESS WIRE)--May 23, 2019-- Penn National Gaming, Inc. (PENN: Nasdaq) ("Penn National" or the "Company") announced today that it completed the purchase of the operations of Greektown Casino-Hotel in Detroit, Michigan ("Greektown") from JACK Entertainment, LLC for approximately \$300 million in cash. The transaction was financed with a combination of cash on hand and incremental borrowings under the Company's revolving credit facility. The purchase price represents a multiple of approximately 6.3x anticipated annual run-rate adjusted EBITDA, inclusive of synergies to be realized within eighteen months.

Simultaneous with the closing of the transaction, Penn National entered into a triple net lease agreement with VICI Properties Inc. (NYSE: VICI) ("VICI") for the Greektown facility. The lease has an initial annual rent of approximately \$55.6 million and an initial term of 15 years, with four 5-year renewal options. The rent coverage ratio in the first year after closing is expected to be 1.8x.

Timothy J. Wilmott, Penn National's Chief Executive Officer, stated, "We are pleased to be entering one of the nation's largest regional gaming markets, and to be operating the only casino in the heart of the revitalized downtown Detroit area. We look forward to welcoming patrons from high profile nearby attractions, such as Comerica Park, Ford Field, Little Caesars Arena, the city's theater district, GM's Renaissance Center and the Cobo Conference Center. We're also excited to be adding the largest single property customer database to *mychoice*, our soon-to-be re-launched and enhanced player loyalty program.

"Our expanded scale will allow us to generate synergies over the first six quarters of operations, at which time we anticipate an OpCo purchase multiple of 6.3x projected annual run-rate adjusted EBITDA. With the expected increase to our free cash flow per share, we will remain well positioned to reduce lease-adjusted net leverage to 5.0x to 5.5x by the end of next year."

Opened in 2000, Greektown Casino-Hotel features 100,000 square feet of casino space, approximately 2,700 gaming machines and 60 table games, a poker room, three restaurants, seven fast casual food outlets, four bars and a coffee shop. In addition, the casino boasts a AAA Four Diamond 400-room, luxury high-rise hotel with 14,000 square feet of event and catering space. The property employs approximately 1,700 team members and has partnered with nearly 20 local restaurants to offer fine dining rewards to guests. The Greektown property will be included in the Company's Northeast reporting segment for financial reporting purposes.
