PROXY STATEMENT
ANNUAL MEETING OF SHAREHOLDERS
MAY 23, 2001

This Proxy Statement and the enclosed Proxy are first being sent or given to shareholders of Penn National Gaming, Inc. (the "Company") on or about April 24, 2001, in connection with the solicitation of proxies for use at the Company's 2001 Annual Meeting of Shareholders ("Annual Meeting") to be held May 23, 2001, at 10:00 a.m., local time, or at any adjournment or postponement thereof, for the purposes set forth herein and in the accompanying Notice of Annual Meeting. The Annual Meeting will be held at the offices of Schnader Harrison Segal & Lewis, LLP, 38th Floor, 1735 Market Street, Philadelphia, Pennsylvania 19103. This solicitation is being made on behalf of the Board of Directors of the Company.

INFORMATION CONCERNING SOLICITATION AND VOTING

RECORD DATE AND SHARES OUTSTANDING

The Board of Directors has fixed the close of business on April 6, 2001, as the record date ("Record Date") for the determination of shareholders of the Company entitled to notice of, and to vote at, the Annual Meeting. On the Record Date, 15,061,100 shares of the Company's Common Stock were issued and outstanding and entitled to vote at the Annual Meeting.

REVOCABILITY OF PROXIES

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before its use by delivering to the Secretary of the Company written notice of revocation or a duly executed proxy bearing a later date or by attending the Annual Meeting and voting in person.

VOTING AND SOLICITATION

The presence, in person or by proxy, of shareholders entitled to cast at least a majority of the votes which all shareholders are entitled to cast is necessary for a quorum to be present at the Annual Meeting. Each share of the Company's Common Stock outstanding is entitled to one vote on each matter which may be brought before the Annual Meeting.

Proxies given in the form enclosed, unless previously revoked, will be voted at the Annual Meeting in accordance with the instructions contained therein, AND IF NO CHOICE IS SPECIFIED, WILL BE VOTED IN FAVOR OF THE PROPOSALS SET FORTH IN THE NOTICE OF MEETING. Assuming a quorum is present, (a) the affirmative vote of a plurality (the greatest number) of the votes cast at the Annual Meeting is required for the election of directors; and (b) the affirmative vote of a majority of the votes cast at the Annual Meeting is required for (i) the ratification of BDO Seidman, LLP as the Company's independent public accountant's for the year ending December 31, 2001; and (ii) the approval of any other matters which may properly come before the Annual Meeting or any postponement or adjournment thereof. For purposes of determining the number of votes cast, only those cast "for" or "against" are counted. Abstentions and broker non-votes are not considered "cast" but are counted for purposes of determining whether a quorum is present at the Annual Meeting. Under Pennsylvania law, a quorum is required to conduct business at the Annual Meeting.

It is expected that the solicitation of proxies will be conducted primarily by mail. Proxies also may be solicited personally or by telephone, telegraph, telecopy or via the internet. The cost of this solicitation will be borne by the Company. In addition, the Company may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation material to such beneficial owners. Proxies also may be solicited by certain directors, officers and employees of the Company, without additional compensation, personally or by telephone, telegram, telecopy or via the internet.

EMPLOYMENT AGREEMENTS

On April 12, 1994, the Company entered into employment agreements with Peter M. Carlino, its Chairman and Chief Executive Officer, and Robert S. Ippolito, its Chief Financial Officer, Secretary, and Treasurer, at annual base salaries of \$225,000 and \$95,000, respectively. The agreements with Messrs. Carlino and Ippolito were initially effective beginning June 1, 1994 and terminated on June 30, 1999 and were amended on June 1, 1999. Each agreement provides for additional compensation and bonuses as may be awarded from time to time by the Board of Directors. Effective June 1, 1999, Mr. Carlino's annual base salary was increased to \$380,000, and effective June 1, 2000, Mr. Ippolito's annual base salary was increased to \$160,000. Each agreement prohibits the respective employee from competing with the Company during its term and for one year thereafter and requires a death benefit payment by the Company based on the employee's annual salary in effect at the time of his death.

On June 1, 1995, the Company entered into an employment agreement with William J. Bork, its President and Chief Operating Officer, at an annual base salary of \$210,000. Effective June 1, 1999, Mr. Bork's annual base salary was increased to \$255,000. The agreement prohibits Mr. Bork from competing with the Company during its term and for two years thereafter, and requires a death benefit payment by the Company equal to 50% of the employee's annual salary in effect at the time of his death.

CERTAIN TRANSACTIONS

In August 1994, the Company signed a consulting agreement with Peter D. Carlino, former Chairman of the Company. Pursuant to the consulting agreement, as amended, Peter D. Carlino receives an annual fee of \$135,000.

The Company has agreed to pay the premiums on four life insurance policies, two payable when Peter M. Carlino dies and two payable when the survivor of Peter M. Carlino and his wife, Marshia W. Carlino, dies, under a "split-dollar" arrangement by which certain irrevocable trusts established by Peter M. Carlino are obligated to reimburse the Company for all premiums paid when the insurance matures or possibly sooner. The owners and beneficiaries of the life insurance policies are the irrevocable trusts. In 2000, the Company paid a total of \$238,000 in premiums on the life insurance policies pursuant to this arrangement.

The Company currently leases 7,362 square feet of office space in an office building in Wyomissing, Pennsylvania for the Company's executive offices. The lease expires in April 2005 and provides for an annual rental of \$103,610 plus common area expenses and electric utility charges. The office building is owned by an affiliate of Peter M. Carlino, the Chairman and Chief Executive Officer of the Company. The Company believes that the lease terms are not less favorable than lease terms that could have been obtained from an unaffiliated third party.

The Company currently leases an aircraft from a company owned by Mr. Jacquemin, a director of the Company. The lease expires in August 2007, and provides for monthly payments of \$26,203. The Company believes that the lease terms are not less favorable than lease terms that could have been obtained from an unaffiliated third party.

James A. Irwin, the former husband of Anne Carlino Irwin, a beneficiary of the Family Trust, is an officer, director and minority shareholder in USI MidAtlantic, Inc., the insurance agency, which is the broker for all of the Company's property and casualty insurance. In 2000, the Company paid premiums of \$1,129,127 for such insurance. The Company believes that the premiums paid are not less favorable than premiums that could have been obtained from an unaffiliated third party.

COMPENSATION OF DIRECTORS

The Company pays director's fees to each Director who is not an employee of the Company. During the year ending December 31, 2000, each outside Director received an annual fee of \$18,000, plus \$1,500 for each Board meeting attended and reimbursement for out-of-pocket expenses in connection with his attendance at such meetings.

NOTWITHSTANDING ANYTHING TO THE CONTRARY, THE FOLLOWING REPORTS OF THE COMPENSATION COMMITTEE AND THE AUDIT COMMITTEE AND THE PERFORMANCE GRAPH ON PAGE 11 SHALL NOT BE DEEMED INCORPORATED BY REFERENCE BY ANY GENERAL STATEMENT INCORPORATING BY REFERENCE THIS PROXY STATEMENT INTO ANY FILING UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR UNDER THE SECURITIES EXCHANGE ACT OF 1934, EXCEPT TO THE EXTENT THAT THE COMPANY SPECIFICALLY INCORPORATES THIS INFORMATION BY REFERENCE, AND SHALL NOT OTHERWISE BE DEEMED FILED UNDER SUCH ACTS.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Company's executive officer compensation program is administered and reviewed by the Compensation Committee of the Board of Directors. The Compensation Committee consists of two independent, non-employee Directors of the Company.

POLICIES AND MISSION

The Compensation Committee has determined that compensation of executive officers should include a mixture of short and long range compensation plans which attract, motivate and retain competent executive personnel, increase executive ownership interests in the Company and encourage increases in the Company's productivity and profitability. As such, the Company's policy is that executive compensation should be directly and materially related to the short-term and long-term operating performance and objectives of the Company. To achieve these ends, executive compensation, including base salary and stock option grants, is to a significant extent dependent upon the Company's financial performance and the return on its Common Stock. However, to ensure that the Company is strategically and competitively positioned for the future, the Compensation Committee also attributes significant weight to other factors in determining executive compensation, such as maintaining competitiveness, implementing capital improvements, expanding markets and achieving other long-range business and operating objectives. Key factors considered by the Compensation Committee during the year 2000 were: the acquisition of the two casinos in Mississippi, Casino Magic Bay St. Louis and Boomtown Biloxi, the negotiation of the acquisition of CRC Holdings, Inc. which does business as Carnival Resorts and Casinos, the \$350 million senior secured credit facility with a syndicate of lenders led by Lehman Brothers, Inc. and CIBC World Markets Corp., and the expansion and performance of the Charles Town Entertainment Complex in West Virginia.

COMPENSATION PLAN

To determine appropriate levels of executive compensation, the Compensation Committee periodically reviews the executive compensation programs and policies of the Company's competitors, in addition to a broader group of companies in its marketplace, to ensure that the Company's plans and practices are competitive and appropriately based on the Company's performance and compensation philosophy.

BASE SALARY

The objective for computing executive base salaries is to structure salaries that are competitive with those of similarly situated companies. In setting base salary levels for individual executives in the future, the Compensation Committee will consider such factors as the executive's scope of responsibility, current performance, future potential and overall competitive positioning relative to comparable positions at other companies. The base salaries for Peter M. Carlino, William J. Bork, and Robert S. Ippolito are set pursuant to employment agreements and currently are \$475,000, \$255,000, and \$160,000 per year, respectively.

STOCK OPTIONS

Stock options are granted under the provisions of the Company's Plan. Stock options are granted to reinforce the importance of improving shareholder value over the long-term and to encourage and facilitate executive stock ownership. Stock options are granted at not less than 100% of the fair market value of the stock on the date of grant to ensure that executives can be rewarded only for appreciation in the price of the Common Stock where the Company's shareholders are similarly benefited. For future grants, the Compensation Committee will establish levels of participation for the stock option program based upon each executive officer's or other employee's position in the Company. The number of options to be granted to each executive officer will be contingent on the individual executive's performance, tenure and future potential.

ANNUAL BONUS

Annual bonus awards recognize an executive's contribution to each year's annual business results as measured against competitors and against the Company's operating plans. Company and individual performance are assessed in relation to the following major factors, listed in order of importance: individual executive performance, revenue growth, earnings and cost management.

Performance, as measured by these factors, which meets operating plans and equals the results of the competition, provided for bonus opportunities that are comparable to the bonus level at other gaming and horse racing companies. Better to worse performance can result in payments that are higher or lower than such comparable companies. An individual's bonus, reflecting personal contribution to business results, can range from 0 to 200% of the bonuses of comparable companies for the individual's job.

PERFORMANCE EVALUATION

For the Chief Executive Officer ("CEO"), approximately 70% of the total compensation opportunity target is base salary and approximately 30% is variable compensation that is at risk and tied to competitive corporate business results. The CEO's current base salary approximates the median salary of CEOs of comparably-sized companies. The CEO's total compensation opportunity also is consistent with the median compensation for CEO's in comparable companies. Factors reviewed by the Compensation Committee's assessment of the Company's and the CEO's performance include individual performance, profitability, profit improvement, growth in revenue and expense management. The Compensation Committee determined that the objective performance goals established by the Company had been met and decided to grant a bonus to the CEO based on the Company's earnings performance in 1999. Also taken into account were other factors, including the significant acquisition activity to support implementation of the Company's business strategy.

For the CEO, the awards of stock options are also shown in the Summary Compensation Table. The option awards recognize the total shareholder return achieved in 1999 as well as the Company's long-term needs and were intended to link the CEO's future compensation opportunity to the creation of additional shareholder value.

AUDIT COMMITTEE REPORT

The Audit Committee of the Board of Directors is composed of three independent directors and operates under a written charter adopted by the Board of Directors (a copy of which is attached hereto as Exhibit A). The Committee recommends to the Board of Directors, subject to shareholders ratification, the selection of the Company's independent accountants.

Management is responsible for the Company's internal controls and the financial reporting process. The independent accountants are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and to issue a report thereon. The Committee's responsibility is to monitor and oversee these processes.

In this context, the Committee has met and held discussions with management and the independent accountants. Management represented to the Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Committee has reviewed and discussed the consolidated financial statements with management and the independent accountants. The Committee discussed with the independent accountants matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees).

The Company's independent accountants also provided to the Committee the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Committee discussed with the independent accountants that firm's independence.

Based upon Committee's discussion with management and the independent accountants and the Committee's review of the representation of management and the report of the independent accountants to the Committee, the Committee recommended that the Board of Directors include the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2000 filed with the Securities and Exchange Commission.

PROPOSAL 2: RATIFICATION OF THE APPOINTMENT OF
INDEPENDENT PUBLIC ACCOUNTANTS

The Audit Committee of the Board, which is composed entirely of non-employee Directors, has appointed BDO Seidman, LLP as certified public accountants to audit the books, records and accounts of the Company and its subsidiaries for the year ending December 31, 2001. The Board has endorsed this appointment and it is being presented to the shareholders for ratification.

BDO Seidman has served as the independent public accountants for the Company since December 1982. All audit services provided by BDO Seidman are approved by the Audit Committee.

During 2000, BDO Seidman performed certain non-audit services for the Company. The Audit Committee has considered whether the provision of these non-audit services is compatible with maintaining BDO Seidman's independence. A summary of the audit and non-audit fees paid to BDO Seidman in 2000 is as follows:

AUDIT FEES--The aggregate fees billed by BDO Seidman for professional services rendered for the audit and the reviews of the Company's financial statements was approximately \$296,221.

FINANCIAL INFORMATION SYSTEMS DESIGN AND IMPLEMENTATION FEES--The Company did not retain BDO Seidman for professional services relating to financial information system design and implementation fees.

ALL OTHER FEES--The aggregate fees billed to the Company by BDO Seidman for all other services, such as acquisitions, financings and taxes, was approximately \$330,372.

The Board of Directors considers BDO Seidman to be well qualified to serve as the independent public accountants of the Company. If, however, the shareholders do not ratify the appointment of BDO Seidman, the Board of Directors may, but is not required to, reconsider the appointment. Representatives of BDO Seidman will be present at the Annual Meeting, will have an opportunity to make statements if they desire, and will be available to respond to appropriate questions.

THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS VOTE FOR THE PROPOSAL TO RATIFY THE APPOINTMENT OF BDO SEIDMAN, LLP, AS THE COMPANY'S INDEPENDENT PUBLIC ACCOUNTANTS FOR THE YEAR ENDING DECEMBER 31, 2001.

OTHER MATTERS

The Company has mailed a 2000 Annual Report to Shareholders and a proxy card together with this proxy statement to all shareholders of record at the close of business on April 6, 2001. The Board of Directors does not know of any other business that will be presented for consideration at the Annual Meeting. Except as the Board of Directors may otherwise permit, only the business set forth and discussed in the Notice of Annual Meeting and Proxy Statement may be acted on at the Annual Meeting. If any other business does properly come before the Meeting or any postponement or adjournment thereof, the proxy holders will vote in regard thereto according to their discretion insofar as such proxies are not limited to the contrary.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's executive officers and directors and persons who own more than ten percent of the Company's Common Stock to file reports of ownership and changes in ownership of the Company's Common Stock and any other equity securities of the Company with the Securities and Exchange Commission ("SEC"). Executive officers, directors and greater than ten percent shareholders are required by SEC regulation to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on its review of the copies of Forms 3, 4 and 5 furnished to the Company, or written representations from certain reporting persons that no such Forms were required to be filed by such persons, the Company believes that all its executive officers, directors and greater than 10% shareholders complied with all filing requirements applicable to them during 2000, except that Mr. Jacquemin failed to timely report on a Form 5 a gift of 900 shares made in December, 2000.

SHAREHOLDER PROPOSALS

Shareholders who wish to submit proposals for inclusion in the Proxy Statement for the Company's 2002 Annual Meeting of Shareholders must submit the same to the Company on or before December 23, 2001, at the Company's principal executive office, Wyomissing Professional Center, 825 Berkshire Blvd., Suite 200, Wyomissing, Pennsylvania 19610, directed to the attention of the Secretary. The Board of Directors will review any shareholder proposals that are filed as required and will determine whether such proposals meet applicable criteria for inclusion in the Company Proxy noted for the 2002 Annual Meeting.

FORM 10-K

THE COMPANY WILL PROVIDE WITHOUT CHARGE TO EACH PERSON SOLICITED BY THIS PROXY STATEMENT, ON THE WRITTEN REQUEST OF ANY SUCH PERSON, A COPY OF THE COMPANY'S ANNUAL REPORT ON FORM 10-K INCLUDING FINANCIAL STATEMENTS AND THE SCHEDULES THERETO. SUCH WRITTEN REQUESTS SHOULD BE DIRECTED TO THE COMPANY AT 825 BERKSHIRE BOULEVARD, SUITE 200, WYOMISSING, PENNSYLVANIA 19610, ATTENTION: CORPORATE SECRETARY.

AUDIT COMMITTEE OF THE BOARD OF DIRECTORS OF
PENN NATIONAL GAMING, INC.
CHARTER

I. PURPOSE

The audit committee (the "Audit Committee") of the board of directors (the "Board") of Penn National Gaming, Inc. (the "Corporation") shall provide assistance to the Board in fulfilling its responsibility to shareholders, potential investors and others for the oversight of the quality and integrity of the accounting, auditing and reporting practices of the Corporation. The Audit Committee's primary duties and responsibilities are to:

- Serve as an independent and objective party to monitor the Corporation's financial reporting process and internal control system.
- Review and appraise the audit efforts of the Corporation's independent accountants.
- Maintain free and open communication with and among the independent accountants, financial and senior management of the Corporation and the Board.

In discharging this oversight role, the Audit Committee is empowered to investigate any matter brought to its attention, with full power to retain outside counsel or other experts for this purpose. The Audit Committee will primarily fulfill these responsibilities by carrying out the activities enumerated in Section IV of this Charter.

While the Audit Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Audit Committee to plan or conduct audits or to determine that the Corporation's financial statements are complete and accurate and are in accordance with generally accepted accounting principles. This is the responsibility of management and the independent accountants. Nor is it the duty of the Audit Committee to conduct investigations, to resolve disagreements, if any, between management and the independent accountants or to assure compliance with laws and regulations and the Corporation's Ethical Code of Conduct.

II. COMPOSITION

The Audit Committee shall be comprised of three directors, each of whom shall be independent directors. An independent director is a person other than an officer or employee of the Corporation or its subsidiaries or any other individual having a relationship which, in the opinion of the Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. The following persons shall not be considered independent:

- (a) a director who is employed by the Corporation or any of its affiliates for the current year or any of the past three years;
- (b) a director who accepts any compensation from the Corporation or any of its affiliates in excess of \$60,000 during the previous fiscal year, other than compensation for board services, benefits under a tax-qualified retirement plan, or non-discretionary compensation;
- (c) a director who is a member of the immediate family of an individual who is, or has been in any of the past three years, employed by the Corporation or any of its affiliates as an executive officer. Immediate family includes a person's spouse, parents, children, siblings, mother-in-law, father-in-law, brother-in-law, sister-in-law, son-in-law, daughter-in-law, and anyone who resides in such person's home;
- (d) a director who is a partner in, or a controlling shareholder or an executive officer of, any for-profit business organization to which the Corporation made, or from which the

Corporation received, payments (other than those arising solely from investments in the Corporation's securities) that exceed 5% of the Corporation's or business organization's consolidated gross revenues for that year, or \$200,000, whichever is more, in any of the past three years;

- (e) a director who is employed as an executive of another entity where any of the Corporation's executives serve on that entity's compensation committee.

All members of the Audit Committee shall be able to read and understand fundamental financial statements, including a company's balance sheet, income statement, and cash flow statement or will become able to do so within a reasonable period of time after his or her appointment to the Audit Committee. Additionally, at least one member of the Audit Committee must have past employment experience in finance or accounting, requisite professional certification in accounting, or any other comparable experience or background which results in the individual's financial sophistication, including being or having been a chief executive officer, chief financial officer or other senior officer with financial oversight responsibilities. The members of the Audit Committee shall be elected by the Board at the annual organizational meeting of the Board and shall serve until their successors shall be duly elected and qualified. Unless an Audit Committee Chairman is elected by the full Board, the members of the Audit Committee may designate a Chairman by majority vote of the Audit Committee.

III. MEETINGS

The Audit Committee shall meet at least two times annually, or more frequently as circumstances dictate. As part of its job to foster open communications, the Audit Committee should also meet at least annually with management and the independent accountants in separate executive sessions to discuss any matters that the Audit Committee or either of these groups believe should be discussed privately. In addition, the Audit Committee or at least its Chairman may, if deemed necessary, meet with the independent accountants and/or management quarterly to review the Corporation's financial statements consistent with Section IV below.

IV. RESPONSIBILITIES AND DUTIES

THE AUDIT COMMITTEE SHALL:

A. DOCUMENTS/REPORTS REVIEW

Based on the review and discussions in the preceding sentence, make a recommendation to the Board on inclusion of the audited financial statements in the Annual Report on Form 10-K for each fiscal year. The review shall also include any certification, report or opinion rendered by the independent accountants and discussions regarding the adequacy of disclosures and content, quality of earnings, reserves and accruals, suitability of accounting principles, reasonableness of estimates and other judgmental matters and such other matters that the Audit Committee deems appropriate.

3. Review and discuss, with management and the independent accountants, adjustments recorded as a result of the audit of the Corporation's financial statements for each fiscal year, and the effects of audit findings that were not adjusted in the underlying accounting records of the Corporation.

For this purpose, the Chairman of the Audit Committee may act on behalf of the entire Audit Committee.

B. INDEPENDENT ACCOUNTANTS

1. Recommend to the Board on an annual basis the selection, retention or, where appropriate, replacement of the independent accountants. In doing so, the Audit Committee shall determine the independence of the independent accountants by: (i) reviewing and considering the written disclosures and the letter from the independent accountants required by Independence Standards Board No. 1, as it may be modified or supplemented, that they are independent; (ii) actively engaging in a discussion with the independent accountants with respect to any disclosed relationships or services that may impact the objectivity and independence of the independent accountants; and (iii) taking, or recommending that the Board take, appropriate action to oversee the independence of the independent accountants. The independent accountants shall have ultimate accountability to the Board and the Audit Committee, as representatives of the shareholders of the Corporation. The Audit Committee shall also consider the effectiveness of the independent accountants, and shall approve the auditing services to be rendered by the independent accountants and the fees or other compensation to be paid to the independent accountants related thereto.
2. Review the performance of the independent accountants and approve any proposed discharge of the independent accountants when circumstances warrant.
3. Review, with the independent accountants, the nature, timing and scope of the proposed audit of the Corporation's financial statements for each fiscal year and the procedures to be utilized in each such audit.
4. Review all reports issued by the independent accountants and provide the independent accountants with full access to the Audit Committee and the Board to report on any and all matters deemed appropriate by the independent accountants.
5. Periodically consult with the independent accountants outside the presence of management regarding internal controls and the completeness and accuracy of the Corporation's annual financial statements.

3. Consider and approve, if appropriate, significant changes to the Corporation's accounting principles and practices as suggested by the independent accountants or management.
4. Make inquires, at least annually, of management and the independent accountants with regard to significant risks and exposures facing the Corporation and assess the steps management has taken to minimize such risks.

D. PROCESS IMPROVEMENT

1. Establish regular and separate systems of reporting to the Audit Committee by each of management and the independent accountants regarding any significant judgments made in management's preparation of annual financial statements and the view of each as to appropriateness of such judgments.
2. Review, subsequent to the completion of the annual audit, separately with management and the independent accountants any significant difficulties encountered during the course of the audit, significant changes in the audit plan or scope of work and any restrictions on the scope of work or access to required information.
3. Review any significant disagreement among management and the independent accountants in connection with the preparation of the financial statements.
4. Review significant findings during the year with management and the independent accountants, including status of previous audit recommendations.
5. Review, with the independent accountants and management, the extent to which changes or improvements in financial or accounting practices, as approved by the Audit Committee, have been implemented. These reviews should be conducted at appropriate times subsequent to implementation of changes or improvements, as decided by the Audit Committee.

E. ETHICAL AND LEGAL COMPLIANCE
