ITEM 2. ACQUISITION OF ASSETS

(a) On April 27, 2001 (the "Closing Date"), the Registrant completed its previously announced acquisitions of (i) CRC Holdings, Inc. ("CRC") from the shareholders of CRC and (ii) the minority interest in Louisiana Casino Cruises, Inc. not owned by CRC from Dan S. Meadows, Thomas L. Meehan and Jerry L. Bayles (together, the "Acquisition"). The Acquisition was accomplished pursuant to the terms of Agreement and Plan of Merger among CRC Holdings, Inc., Penn National Gaming, Inc., Casino Holdings, Inc. and certain shareholders of CRC Holdings, Inc., dated as of July 31, 2000 (the "Merger Agreement"), and a Stock Purchase Agreement by and among Penn National Gaming, Inc., Dan S. Meadows, Thomas L. Meehan and Jerry L. Bayles, dated as of July 31, 2000 (the "Stock Purchase Agreement"). Under the Merger Agreement, CRC merged with Casino Holdings, Inc., a wholly-owned subsidiary of the Registrant (the "Merger"). The terms of each of the agreements were the result of arm's length negotiations among the parties. The aggregate consideration paid by the Registrant for the Acquisition was approximately \$181.3 million, including the repayment of existing debt at CRC or its subsidiaries. The purchase price of the Acquisition was funded by the proceeds of the Registrant's offering of senior subordinated notes, which was completed in March 2001.

(b) The assets acquired pursuant to the Merger and Acquisition consist primarily of the Casino Rouge riverboat gaming facility in Baton Rouge, Louisiana, and a management contract for Casino Rama, a gaming facility located in Orillia, Canada. The Registrant intends to continue the use of such assets in the casino business.

The Registrant issued a press release announcing the completion of the Acquisition, which release is filed herewith as Exhibit 99.1 and is incorporated herein by reference.

Notes to Financial Statements

Report of Independent Certified Public Accountants

To the Board of Directors and
Stockholders of CRC Holdings, Inc.

In our opinion, the accompanying balance sheets and the related statements of operations, of changes in stockholders' equity and of cash flows present fairly, in all material respects, the financial position of CRC Holdings, Inc. - Gaming Division (the "Company") at November 30, 1999 and 2000, and the results of its operations and its cash flows for each of the three years in the period ended November 30, 2000 in conformity with accounting principles generally accepted in the United States of America. These financial statements are the responsibility of the Company's management; our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits of these statements in accordance with auditing standards generally accepted in the United States of America, which require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

NOTE 1 - BASIS OF PRESENTATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF PRESENTATION

CRC Holdings, Inc. ("CRC"), d/b/a Carnival Resorts & Casinos, owns, operates and develops casino properties (for purposes hereof, the "CRC Gaming Division" or the "Company") and develops and manages hotel and resort properties. The CRC Gaming Division consists principally of an approximate 60% interest in Louisiana Casino Cruises, Inc. ("LCCI"), which owns the Casino Rouge, a riverboat casino based in Baton Rouge, Louisiana, and through a wholly-owned subsidiary, CHC Casinos Canada Limited ("CHC Canada"), the operations of Casino Rama located north of Toronto, Canada, on behalf of the Chippewas of Rama First Nation and the Ontario Lottery and Gaming Corporation. These financial statements depict the financial condition and results of operations of the CRC Gaming Division as of and for the periods presented.

Pursuant to the Agreement and Plan of Merger among CRC, Penn National Gaming, Inc. ("Penn"), Casino Holdings, Inc. ("Casino Holdings"), a wholly-owned subsidiary of Penn, and certain stockholders of CRC, dated July 31, 2000 (the "Merger Agreement"), subject to appropriate approvals and certain conditions including financing, CRC has agreed to (i) distribute its hospitality division and certain other assets and liabilities to the stockholders of CRC, (ii) distribute its net after-tax income, as defined, less certain adjustments for the period from the date of the Merger Agreement through the closing date of the Merger Agreement to the stockholders of CRC, and (iii) immediately subsequent to the distributions, merge the CRC Gaming Division with and into Casino Holdings. In addition, pursuant to a Stock Purchase Agreement among certain minority stockholders of a 40% interest in LCCI (the "LCCI Minority Stockholders") and Penn dated July 31, 2000 (the "Stock Purchase Agreement"), the LCCI Minority Stockholders, subject to closing of the Merger Agreement, appropriate approvals and certain conditions, have agreed to sell their 40% interest in LCCI to Penn. The Merger Agreement and Stock Purchase Agreement provide the foregoing transactions shall be consummated on or before October 31, 2001 although there can be no assurance to that effect.

Pursuant to an Agreement and Plan of Merger with CHC International, Inc. ("CHC"), Wyndham International, Inc. ("Wyndham"), and Patriot American Hospitality, Inc., on June 30, 1998, CHC (i) contributed its gaming and hospitality development business to CRC, (ii) distributed all of the common stock of CRC to the stockholders of CHC pro rata based on their ownership in CHC, and (iii) merged with and into Wyndham subsequent to the pro rata distribution (collectively the "Patriot Merger").

The financial statements have been prepared as if the Company has operated as an independent, stand alone entity for all periods presented. Such financial statements have been prepared using the historical basis of accounting and include all of the assets, liabilities, revenues and expenses previously included in CRC's and CHC's consolidated financial statements prior to the transactions contemplated by the Merger Agreement, the Stock Purchase Agreement and the Patriot Merger, except for all the assets, liabilities (including contingent liabilities), revenues and expenses of the

hospitality division of CRC and CHC and their respective subsidiaries. Consequently, these financial statements include certain balances and allocations for assets and liabilities and corresponding income and expense items related to the Company that were previously included in CRC's and CHC's consolidated financial statements. In accordance with Securities and Exchange Commission Staff Accounting Bulletin No. 55, these financial statements exclude certain corporate expenses incurred by CRC and CHC on the hospitality division's behalf. All significant intercompany balances and transactions within the CRC Gaming Division have been eliminated. Investments in less than majority-owned gaming businesses, in which a significant equity ownership interest is held, are accounted for on the equity method.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States. Significant accounting policies are summarized below.

ACCOUNTING ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

REVENUE RECOGNITION

Casino Revenue represents the net win from gaming activities which is the difference between gaming wins and losses. Casino revenues are net of accruals for anticipated pay-outs of progressive jackpots. The estimated direct costs of providing promotional allowances for food and beverage and other items have been classified as casino operating expenses and totaled \$2,793, \$3,104 and \$3,250 for the years ended November 30, 1998, 1999 and 2000, respectively. Revenues from food and beverage sales are recognized at the time the related service is performed. Revenues from management service fees for management of casinos are based upon contracted terms and are recognized when the services are performed, and include management service fees from affiliates of \$144, for the year ended November 30, 1998.

REIMBURSED OPERATING EXPENSES

The Company is fully reimbursed by Casino Rama for salaries and related costs for casino personnel employed by the Company in accordance with management contract terms and the administration of services consisting primarily of sales, marketing and reservations. These costs amounted to \$66,399, \$67,921 and \$72,388 for the years ended November 30, 1998, 1999 and 2000, respectively. All such costs and related reimbursements have been netted in the statements of

NOTES TO FINANCIAL STATEMENTS
(dollars in thousands, except per share data)

operations, with reimbursable amounts and accrued salaries and related costs reflected as trade accounts receivable and accrued expenses, respectively, in the balance sheets.

FOREIGN CURRENCY TRANSLATION

The assets and liabilities of the Company's foreign operations are generally translated into United States dollars at year-end exchange rates, and revenues and expenses are generally translated at average exchange rates for the year. Comprehensive income resulting from translation adjustments are reflected within stockholders' equity. Transaction gains and losses that arise from exchange rate fluctuations on transactions denominated in a currency other than the functional currency are included in the results of operations, as incurred.

STOCK BASED COMPENSATION

The Company has adopted Statement of Financial Accounting Standards ("SFAS") No. 123, "Accounting for Stock Based Compensation" which establishes a fair value based method of accounting for stock based compensation plans, the effect of which can either be disclosed or recorded. The Company has chosen to retain its intrinsic value method of accounting for stock based compensation.

CASH AND CASH EQUIVALENTS

Cash and cash equivalents include short-term investments with original purchase maturities of 90 days or less.

TRADE ACCOUNTS RECEIVABLE

Trade accounts receivable are from properties under management and casino customers. The Company provides an allowance for doubtful accounts based on a periodic review of outstanding receivables and an evaluation of aggregate collectibility.

PROPERTY AND EQUIPMENT

Property and equipment are stated at cost. Depreciation and amortization are provided on a straight-line basis over the estimated useful lives of the assets or the expected term of the land lease (including renewals), whichever is shorter:

Vessel	18 years
Building	30 years
Furniture, fixtures and other equipment	4 - 10 years
Gaming equipment	5 - 15 years

Expenditures for repairs and maintenance are charged to expense as incurred. Expenditures for major renewals and betterments, which significantly extend the useful lives of existing equipment, are capitalized and depreciated.

THE ACCOMPANYING NOTES ARE AN INTEGRAL PART OF THESE FINANCIAL STATEMENTS.

CRC HOLDINGS, INC. - GAMING DIVISION
NOTES TO FINANCIAL STATEMENTS
(dollars in thousands, except per share data)

Leasehold improvements and equipment held under capital leases are amortized over the lesser of useful life or lease term.

IMPAIRMENT OF LONG-LIVED ASSETS

When events or circumstances indicate that the carrying amount of long-lived assets to be held and used might not be recoverable, the expected future undiscounted cash flows from the assets is estimated and compared with the carrying amount of the assets. If the sum of the estimated undiscounted cash flows is less than the carrying amount of the assets, an impairment loss is recorded. The impairment loss is measured by comparing the fair value of the assets with their carrying amount. Long-lived assets that are held for disposal are reported at the lower of the assets' carrying amount or fair value less costs related to the assets' disposition.

OTHER ASSETS

Costs incurred in connection with the Company's financing arrangements are recorded as deferred charges and are amortized over the terms of the debt issuances. All costs incurred which relate to obtaining regulatory approval of the Baton Rouge riverboat facility are recorded as deferred charges and are amortized over the license period. Deferred licensing charges and debt issuance costs are included in other current assets and other assets.

GOODWILL

Goodwill is associated with the acquisition of LCCI and is amortized on a straight-line basis over 30 years, with accumulated amortization of \$594 and \$693 as of November 30, 1999 and 2000, respectively, and amortization expense of \$99 in each of the three years ended November 30, 2000.

INCOME TAXES

Income taxes are provided based on the liability method of accounting pursuant to SFAS No. 109, "Accounting for Income Taxes." Deferred income taxes are recorded to reflect tax consequences on future years' differences between tax bases of assets and liabilities and their financial reporting amounts at each year-end, reflecting the combination of LCCI and CHC Canada as separate tax filers and as if the Company and its other subsidiaries were a stand alone taxpayer.

CONCENTRATION OF CREDIT RISK

The Company has a receivable from Casino Rama, Inc. pursuant to an agreement to develop and operate Casino Rama. To monitor the credit risk with respect to the receivable from Casino Rama, Inc., the Company periodically reviews the financial condition of Casino Rama, Inc. through its management of Casino Rama. Management currently believes the credit risk related to this receivable is minimal.

FINANCIAL INSTRUMENTS

The estimated fair value of financial instruments has been determined by the Company using

THE ACCOMPANYING NOTES ARE AN INTEGRAL PART OF THESE FINANCIAL STATEMENTS.

CRC HOLDINGS, INC. - GAMING DIVISION
NOTES TO FINANCIAL STATEMENTS
(dollars in thousands, except per share data)

available market and effective interest rate information for such instruments. The carrying amounts of such financial instruments approximate their fair value except for LCCI's 11% senior secured notes which fair value approximated \$56,585 at November 30, 2000.

COMMON SHARE DATA

On June 30, 1998, CRC's common stock was adjusted pursuant to a 10,621-for-1 stock split where each share of CRC's common stock, \$.01 par value per share was converted into 10,621 shares of CRC's common stock, \$.005 par value per share.

NEW ACCOUNTING STANDARDS

In June 1998, the Financial Accounting Standards Board issued SFAS No. 133, "Accounting for Derivative Instruments and Hedging Activities". SFAS No. 133 establishes accounting and reporting standards for derivative instruments and is, as amended, effective for all fiscal quarters of fiscal years beginning after June 15, 2000. The Company has evaluated the impact of SFAS No. 133 and believes it has no effect on its financial statements.

The Company is reviewing SEC Staff Accounting Bulletin ("SAB") No. 101, "Revenue Recognition in Financial Statements". This Company is required to adopt SAB No. 101 for the year ending November 30, 2001 and does not expect the effect of the pronouncement on its financial condition and results of operations to be material.

RECLASSIFICATIONS

Certain amounts in the financial statements have been reclassified to conform to the current period presentation.

NOTE 2 - RECEIVABLES

NOTE 4 - LEASES

LCCI has an operating lease agreement for property on which LCCI constructed the riverboat facility and parking facility. The initial lease term is 10 years beginning January 1994. The terms of the lease include payment of minimum monthly rent equal to the greater of \$33 or 1.25% of LCCI's gross cash revenue. In addition, LCCI prepaid rent of approximately \$1,756 in connection with the lessor's acquisition of an additional parcel of land. The prepaid rent is being amortized over the initial lease term and the remaining unamortized portion was \$717 and \$541 as of November 30, 1999 and 2000, respectively. LCCI has the option to purchase the entire site on or after 15 years for the then appraised value of the original parcel, excluding improvements. LCCI also leases a total of approximately 45,700 square feet for general warehouse, office and employee parking. The term of the lease is one year beginning September 2000 for \$8 per month. The lease grants LCCI a right of first refusal to purchase the property. The Company also leases office and warehouse space under operating lease agreements.

The following is a schedule of future minimum lease payments, for all operating leases with non-cancellable terms in excess of one year at November 30, 2000:

Year ending November 30, 2001	\$ 697

Rental expense amounted to \$1,636, \$1,899 and \$1,764 for the years ended November 30, 1998, 1999 and 2000, respectively. Rental expense for the years ended November 30, 1998, 1999 and 2000 includes \$509, \$698 and \$769, respectively, of contingent rental payments in excess of the monthly minimum rent with respect to LCCI's land lease for riverboat and parking facilities.

NOTE 5 - EMPLOYEE BENEFITS PLANS

CRC maintains non-qualified defined contribution deferred compensation plans (the "Deferred Compensation Plan") which cover most management employees. Benefits accumulate by participants based on a percentage of their annual compensation and generally vest 20% per year. The Deferred Compensation Plan's costs, net of forfeitures, included in the statements of operations for the years ended November 30, 1998, 1999 and 2000 were approximately \$576, \$631 and \$809, respectively. The earnings rate for the Deferred Compensation Plan unfunded benefit liability is 7% for the years ended November 30, 1998, 1999 and 2000.

Deferred Compensation Plan benefits funded by the Company are taxable to the participants and the Company advances the participants amounts equal to the income and payroll taxes on the funded benefits. Interest accrues at 6% per annum on these advances. The amounts of such advances were \$251 and \$574 as of November 30, 1999 and 2000, respectively, and will be repaid from pledged death benefit proceeds of participants' life insurance policies.

CRC also maintains defined contribution plans under Section 401(k) of the Internal Revenue Code for all qualified employees (the "401(k) Plans"). Contributions to the 401(k) Plans by the Company are based on the participants' contributions. For the years ended November 30 1998, 1999 and 2000, the Company contributed \$147, \$207, and \$185 respectively. The Company paid certain expenses associated with administration of the 401(k) Plans.

Variable-rate senior secured increasing rate notes - on November 25, 1998, LCCI issued \$50,000 of variable rate senior secured increasing rate notes due December 1, 2001 ("the 1998 Notes") in a private placement offering to refinance the \$51,000, 11 1/2% first mortgage notes issued in December 1993 in connection with the development of the Casino Rouge.

11% senior secured notes - on January 27, 1999, LCCI issued \$55,000 of 11% senior secured notes due December 1, 2005, (the "1999 Notes") in a private placement offering with interest due semi-annually beginning June 1, 1999. The proceeds were used to defease and redeem the 1998 Notes. After December 1, 2002, LCCI may, at its option, redeem all or some of the 1999 Notes at a premium that will decrease over time from 105.5% in 2002 to 100% in 2004 of their face amount, plus interest. The redemption of the 1998 Notes resulted in LCCI incurring a net extraordinary loss of \$1,731 during the year ended November 30, 1999 and the nine months ended August 31, 1999. The 1999 Notes were exchanged in May 1999 for Notes registered under the Securities Act of 1933. The registered 1999 Notes are freely transferable by holders thereof and are substantially identical in all material respects to the privately placed 1999 Notes for which they were exchanged. The registered 1999 Notes are collateralized by substantially all of LCCI's assets.

Variable-rate secured term loan - in December 1998, CHC Canada amended the variable-rate secured loan denominating the outstanding balance in U.S. dollars and amending the repayment schedule. The amended loan bears interest at varying rates approximating LIBOR plus 4% per annum. The loan is collateralized by substantially all of CHC Canada's assets.

CRC has a variable rate line of credit with a commercial bank collateralized by assets of certain shareholders of CRC. As of November 30, 2000, no amount was available under the variable rate line of credit.

The 1999 Notes are collateralized by substantially all of LCCI's assets, other than certain identified excluded assets. The indenture to the 1999 Notes includes certain covenants which limit the ability of LCCI and its restricted subsidiaries, (as defined) subject to certain exceptions, to: (i) incur additional indebtedness; (ii) pay dividends or other distributions, repurchase capital stock or other equity interest or subordinated indebtedness; (iii) enter into certain transactions with affiliates; (iv) create certain liens or sell certain assets; and (v) enter into certain mergers and consolidations. The Company's other financing agreements also contain certain financial covenants.

NOTE 8 - REDEEMABLE PREFERRED STOCK AND COMMON STOCK WARRANTS OF SUBSIDIARY

LCCI has authorized 50,000 shares of preferred stock, of which 11,000 shares of 12% cumulative redeemable preferred stock was issued and outstanding at November 30, 1997, at a carrying value of \$1,628 including accrued non-cash dividends. The preferred stock and accrued dividends were redeemed by LCCI on November 30, 1998 for \$1,760.

LCCI's debt offering in December 1993 included 153,000 detachable warrants with put rights whereby LCCI had an obligation to purchase the 153,000 warrants, at the value of LCCI's common stock as of December 1, 1998, as determined by two independent investment banking firms. At November 30, 1998, the warrants were classified as redeemable equity due to the put right feature and accreted to the amount at which LCCI expected to repurchase these warrants. Holders of 14,100 warrants elected to convert to an equivalent number of LCCI common shares, while holders of 138,900 warrants elected to have LCCI purchase the warrants. On March 1, 1999, LCCI received valuations from two investment banking firms. Based on the average of the values determined by the investment banking firms, LCCI paid on March 8, 1999, \$3,749 to holders of 138,900 warrants who exercised their put rights. On September 21, 1999, at a previous warrant holder's request, LCCI purchased 12,000 LCCI common shares for \$324, the price originally offered for the warrants.

NOTE 9 - MINORITY INTEREST

THE ACCOMPANYING NOTES ARE AN INTEGRAL PART OF THESE FINANCIAL STATEMENTS.

(dollars in thousands, except per share data)

The Company owns an approximate 60% interest in LCCI. The Company's financial statements include 100% of the assets, liabilities and operations of LCCI. The effects of the minority interest have been reflected in the accompanying balance sheets and statements of operations. During the years ended November 30, 1998, 1999 and 2000, LCCI paid cash dividends to holders of its common stock and common stock warrants totaling \$1,996, \$3,498 and \$3,398 respectively. As LCCI's accumulated losses and dividends had previously eliminated the minority interest, \$962 and \$1,253 of LCCI common stock dividends paid to minority common stockholders and to the common stock warrant holders were charged to operations during the years ended November 30, 1998 and 1999, respectively. During the year ended November 30, 2000, LCCI paid cash dividends to the minority holders of its common stock of \$1,369. On December 6, 2000, LCCI paid a cash dividend to the minority holders of its common stock of \$355.

NOTE 10 - COMMITMENTS AND CONTINGENCIES

In the ordinary course of its business, the Company is involved in legal proceedings resulting from incidents taking place at casinos it manages, or in which it has an ownership interest. The Company maintains comprehensive liability insurance and also requires casino owners to maintain adequate insurance coverage. In the opinion of management, the ultimate outcome of all such matters should not have a material adverse effect on the financial position of the Company, but, if decided adversely to the Company, could have a material adverse effect upon the Company's operating results during the period in which the litigation is resolved.

LCCI's original five-year gaming license was up for renewal in July 1999. On June 15, 1999, LCCI received a conditional license approval from the Louisiana Gaming Control Board (the "Louisiana Board") until completion of their investigation. On or about July 25, 2000, the Division of the Louisiana Attorney General's Office (the "Division") submitted a Report on Conditional License Renewal of LCCI, in which the Division and the Louisiana State Police outlined three conditions on the license renewal of LCCI. The first condition involved LCCI minority shareholder Jerry Bayles. The Division recommended that in order to renew the license of LCCI, that Mr. Bayles have no more direct day to day involvement in the management or operations of Casino Rouge than he currently maintained. The second condition related to CRC officer Robert Sturges. The division suggested in the report that LCCI's license also be conditioned upon the status quo relating to Mr. Sturges' day to day management and operation of Casino Rouge. Finally, the report addressed, among other things, Capital Lake Properties, Inc. ("CLP"), the landlord of the leased property where Casino Rouge is located, which currently receives rent based upon 1.25% of gross cash revenue, as defined. The Division's report contained a proposed condition on the license renewal of LCCI, that CLP submit itself to a suitability investigation. The report has not been formally acted upon by the Louisiana Board. Attorneys for the Louisiana Board have indicated that the Louisiana Board will decide the issue of renewal of LCCI's license, and any potential conditions, along with the decision to allow the transfer of LCCI's common stock to Penn. On or about November 29, 2000, LCCI filed suit against CLP for declaratory judgement in the 19th Judicial District Court of Louisiana seeking a determination whether CLP, as a matter of law, must submit to a suitability investigation and what, if any obligations CLP has under the lease agreement, to submit to suitability. It is expected that the litigation will, when complete, decide whether the Louisiana Board

THE ACCOMPANYING NOTES ARE AN INTEGRAL PART OF THESE FINANCIAL STATEMENTS.

CRC HOLDINGS, INC. - GAMING DIVISION
NOTES TO FINANCIAL STATEMENTS
(dollars in thousands, except per share data)

will condition LCCI's license on the suitability of CLP. It is not expected that the conditions relating to the day to day involvement of Mr. Bayles or Mr. Sturges will be challenged by LCCI.

In connection with LCCI's renewal application, each of LCCI's officers, directors, managers, principal shareholders, including the Company and its officers and directors and key gaming employees, will be subject to strict scrutiny and full suitability investigations and approval by the Louisiana Board. The factors the Louisiana Board has stated it will consider, among others, in order to renew LCCI's license, include LCCI's compliance with all the requirements of the Louisiana Riverboat Economic Development and Gaming Control Act, the approval of various systems and procedures, the demonstration of good character (including an examination of criminal and civil records) and methods of business practice. It is not possible to predict when the Louisiana Board will complete its investigation, and no time line frame such completion has been given.

Gaming licenses in Ontario are issued for four-year terms. CHC Canada's original gaming license is up for renewal in July 2000. CHC Canada has filed its renewal application and paid its annual renewal fee and its license is deemed to continue to July 2001 pending completion of the relicensing investigation. CHC Canada and its officers, directors, managers, principal shareholders, including the Company and its officers and directors and key gaming employees, will be subject to strict scrutiny and full suitability investigations and approval by the Ontario Alcohol and Gaming Commission in connection with CHC Canada's renewal application.

LCCI and CHC Canada believe they will be successful in receiving renewals of the licenses, but no assurance can be given as to whether or when the licenses will be renewed, or extent of any restrictions that may be imposed as conditions thereof. The loss, suspension or failure to obtain renewals of the licenses subject to burdensome conditions, would have a material adverse effect on the Company.

Pursuant to the agreement to manage the Casino Rama complex, dated March 18, 1996, as amended (the "Agreement"), CHC Canada will receive during the first three years from the opening date, July 31, 1996, a management fee, subject to certain limitations, of 2.75% of gross revenues plus 5.0% of net operating margin (as such terms are defined in the Agreement) and, subsequent to year three, an operator's fee of 2.0% of gross revenues plus 5.0% of net operating margin. The term of the Agreement, which is 15 years from the opening date, consisting of an original 10 year term and a five year renewal, requires CHC Canada to loan Casino Rama, Inc. \$25,000 (see Note 2) and, under certain circumstances additional amounts to fund Casino Rama operating deficits, if any. The performance and obligations of CHC Canada under the Agreement are guaranteed by CRC.

In November 1993, LCCI was involved in a dispute regarding consulting services. Although a formal demand had not been made to LCCI, management believed the dispute could lead to litigation and accrued \$1,700 for the estimated cost of resolution. LCCI settled litigation related to this dispute in May 1998. Pursuant to the settlement, each party entered into mutual general releases and neither party admitted any liability in connection with the settlement. As a result of the settlement, LCCI has recognized a net reduction of \$400 in management services and operating costs for the year ended November 30, 1998.

NOTE 11 - STOCKHOLDERS' EQUITY

CRC has an Employee Stock Option Plan (the "Plan") which provides for the grant to employees of both incentive stock options (within the meaning of Section 422 of the Internal Revenue Code) and nonstatutory stock options to eligible employees (including officers and directors) and non-employee directors. A total of 1,700,000 shares of common stock have been reserved for issuance under the Plan. In conjunction with the Patriot Merger, CHC's options were cancelled and CRC granted new options which retained the term and vesting attributes of the CHC options.

The table below summarizes the status of the CRC's Plan as of November 30, 1998, 1999 and 2000 and changes for the years then ended as follows:

	1,361,805	4.5	2.34	1,255,211	2.25

All options issued were granted at fair market value on the original date of grant, generally have a term of 10 years, and generally become exercisable with respect to 20% of the covered shares commencing one year after grant, and are generally exercisable with respect to an additional 20% of the covered shares after each additional year until fully exercisable.

The fair value of each option grant was estimated on the date of the grant using the minimum value method with the following assumptions: risk-free interest rate of 7.5%, no dividend yield, expected lives of 10 years and no volatility.

The Company applies Accounting Principles Board No. 25 and related interpretations in accounting for the Plan. Accordingly, no compensation cost has been recognized. Had compensation cost for the Company's Plan been determined based on the fair value at the grant dates for awards under the Plan consistent with the method of SFAS No. 123, the Company's pro forma net income would have been \$9,519, \$6,805 and \$6,869 for the years ended November 30, 1998, 1999 and 2000, respectively.

On June 30, 1998, CRC settled a liability assumed as part of the Patriot Merger by issuing to an executive officer 121,289 shares of CRC common stock. The stock grant vested immediately.

NOTE 12 - RELATED PARTY TRANSACTIONS

CRC and Carnival Corporation entered into a trademark license agreement providing for the Company's use of the "Carnival" trademark so that the Company may conduct business as "Carnival Resorts and Casinos." Fees due under the agreement are the greater of \$100 or 1% of the Company's revenues, as defined. The trademark license fees for the years ended November 30, 1998, 1999 and 2000 were \$518, \$649 and \$679 respectively.

The Company provides accounting services, at cost, to certain entities owned and controlled by certain of its officers. The entities are obligated to reimburse the Company for such services provided. The cost of such services were \$154, \$46 and \$85 for the years ended November 30, 1998, 1999 and 2000, respectively, and the balance due the Company was \$200 and \$285 as of November 30, 1999 and 2000, respectively.

NOTE 1 - BASIS OF PRESENTATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF PRESENTATION

CRC Holdings, Inc. ("CRC"), d/b/a Carnival Resorts & Casinos, owns, operates and develops casino properties (for purposes hereof, the "CRC Gaming Division" or the "Company") and develops and manages hotel and resort properties. The CRC Gaming Division consists principally of an approximate 60% interest in Louisiana Casino Cruises, Inc. ("LCCI"), which owns the Casino Rouge, a riverboat casino based in Baton Rouge, Louisiana, and through a wholly owned subsidiary, CHC Casinos Canada Limited ("CHC Canada"), the operations of Casino Rama located north of Toronto, Canada, on behalf of the Chippewas of Rama First Nation and the Ontario Lottery and Gaming Corporation. These financial statements depict the financial condition and results of operations of the CRC Gaming Division as of and for the periods presented.

Pursuant to the Agreement and Plan of Merger among CRC, Penn National Gaming, Inc. ("Penn"), Casino Holdings, Inc. ("Casino Holdings"), a wholly-owned subsidiary of Penn and certain shareholders of CRC, dated July 31, 2000 (the "Merger Agreement"), subject to appropriate approvals and certain conditions including financing, CRC has agreed to (i) distribute its hospitality division and certain other assets and liabilities to the stockholders of CRC, (ii) distribute its net after-tax income, as defined, less certain adjustments for the period from the date of the Merger Agreement through the closing date of the Merger Agreement to the stockholders of CRC, and (iii) immediately subsequent to the distributions, merge the CRC Gaming Division with and into Casino Holdings. In addition, pursuant to a Stock Purchase Agreement among certain minority stockholders of a 40% interest in LCCI (the "LCCI Minority Stockholders") and Penn dated July 31, 2000 (the "Stock Purchase Agreement"), the LCCI Minority Stockholders, subject to closing of the Merger Agreement, appropriate approvals and certain conditions, have agreed to sell their 40% interest in LCCI to Penn. The Merger Agreement and Stock Purchase Agreement provide the foregoing transactions shall be consummated on or before October 31, 2001 although there can be no assurance to that effect. Financing and regulatory approvals from the Louisiana Gaming Control Board (the "Board") and the Alcohol and Gaming Commission of Ontario have been obtained while consent from the Chippewas of Rama First Nation has been withheld. CRC and Penn are pursuing all options available to obtain this consent although there can be no assurances that this consent will be obtained (Note 6).

The financial statements have been prepared as if the Company has operated as an independent, stand alone entity for all periods presented. Such financial statements have been prepared using the historical basis of accounting and include all of the assets, liabilities, revenues and expenses previously included in CRC's consolidated financial statements prior to the transaction contemplated by the Merger Agreement and the Stock Purchase Agreement, except for all the assets, liabilities (including contingent liabilities), revenues and expenses of the hospitality division of CRC and its respective subsidiaries. Consequently, these financial statements include certain balances and allocations for assets and liabilities and corresponding income and expense items related to the Company that were previously included in CRC's consolidated financial statements. In accordance with Securities and Exchange

CRC HOLDINGS, INC. - GAMING DIVISION
NOTES TO FINANCIAL STATEMENTS
(dollars in thousands)

Commission Staff Accounting Bulletin No. 55, these financial statements exclude certain corporate expenses incurred by CRC on the hospitality division's behalf. All significant intercompany balances and transactions within the CRC Gaming Division have been eliminated. Investments in less than majority-owned gaming businesses, in which a significant equity ownership interest is held, are accounted for on the equity method.

INTERIM UNAUDITED INFORMATION

The accompanying financial statements as of February 28, 2001 and for the three month periods ended February 29, 2000 and February 28, 2001 are unaudited and do not include all information and footnotes necessary for the presentation of financial position, results of operations and cash flows in conformity with accounting principals generally accepted in the United States of America. However, in the opinion of management, all adjustments (consisting of normal recurring accruals) have been included to present fairly, in all material respects, the financial position of the Company as of February 28, 2001, and the results of its operations and its cash flows for the three month periods ended February 29, 2000 and February 28, 2001. Operating results for the three month periods ended February 29, 2000 and February 28, 2001 are not necessarily indicative of the results that may be expected for a full year.

PROMOTIONAL ALLOWANCES

The estimated direct costs of providing promotional allowances for food and beverage and other items have been classified as casino operating expenses and totaled \$885 and \$810 for the three month periods ended February 29, 2000, and February 28, 2001, respectively.

MANAGEMENT SERVICE AND OPERATING COSTS

During the three month period ended February 28, 2001, the Company and certain officers renegotiated the deferred compensation arrangements, resulting in a \$923 reduction in the Company's deferred compensation obligations. In addition, \$300 in receivables from certain officers relating to accounting services performed by the Company on certain officers' behalf were forgiven. These amounts have been recorded as adjustments to management service and operating costs.

NEW ACCOUNTING STANDARDS

In June 1998, the Financial Accounting Standards Board issued Statement of Financial Accounting Standards ("SFAS"), No. 133, "Accounting for Derivative Instruments and Hedging Activities". SFAS No. 133 establishes accounting and reporting standards for derivative instruments and is, as amended, effective for all fiscal quarters of fiscal years beginning after June 15, 2000. The Company's adoption of SFAS No. 133 in the quarter ended February 28, 2001 had no effect on its financial condition, results of operations or cash flows.

NOTE 2 - LONG TERM DEBT

Pursuant to the indenture, dated as of January 27, 1999, between LCCI and U.S. Bank Trust National Association, as Trustee (the "1999 Indenture"), LCCI issued in a private placement, \$55,000 of its 11% Senior Secured Notes (the "1999 Notes"), due December 1, 2005, in an offering under Rule 144A under the Securities act of 1933, with interest due semi-annually beginning June 1, 1999. LCCI exchanged the privately issued 1999 Notes in May 1999 for \$55,000 in aggregate principal of new, publicly tradable 1999 Notes. The new 1999 Notes are identical in all material respects to the privately issued 1999 Notes, other than certain provisions relating to registration rights and related liquidated damages. LCCI used the proceeds to redeem \$50,000 of LCCI's Senior Secured Increasing Rate Notes, due December 1, 2001, and for general corporate purposes. On May 28, 1999, LCCI repurchased \$2,000 of the 1999 Notes at a cost of \$2, 010 plus accrued interest. On March 5, 2001, LCCI cancelled the repurchased 1999 Notes.

The 1999 Notes are collateralized by substantially all of LCCI's assets, other than certain identified excluded assets. The 1999 Indenture includes certain covenants which limit the ability of LCCI and its restricted subsidiaries, (as defined in the 1999 Indenture) subject to certain exceptions, to: (i) incur additional indebtedness; (ii) pay dividends or other distributions, repurchase capital stock or other equity interest or subordinated indebtedness; (iii) enter into certain transactions with affiliates; (iv) create certain liens or sell certain assets; and (v) enter into certain mergers and consolidations.

Under the terms of the 1999 Indenture, after December 1, 2001, LCCI may, at its option, redeem all or some of the 1999 Notes at a premium that will decrease over time from 105.5% to 100% of their face amount, plus accrued but unpaid interest. Prior to December 1, 2001, if LCCI publicly offers certain equity securities LCCI may, at its option apply certain of the net proceeds from those transactions to the redemption of up to one-third of the principal amount of the notes at 111% of their face amount, plus interest. If LCCI goes through a change in control (which for these purposes would include the proposed transactions involving CRC, LCCI and Penn), it must give holders of the notes the opportunity to sell their notes to LCCI at 101% of their face amount, plus interest.

On February 20, 2001, Penn commenced a cash tender offer to purchase all of the 1999 Notes, and a related consent solicitation to eliminate certain restrictive covenants and related provisions in the 1999 Indenture pursuant to which the 1999 Notes were issued. On March 6, 2001, Penn announced that all of the holders of the 1999 Notes had tendered Notes and delivered consents in connection with Penn's tender offer and consent solicitation. The tender offer and the effectiveness of the related amendments to the indenture are conditioned upon, among other things, consummation of Penn of its acquisition of CRC and LCCI. The principal purpose of the tender offer is to permit Penn to acquire all of the outstanding 1999 Notes in connection with Penn's acquisition of CRC and LCCI.

The total consideration payable pursuant to the tender offer and consent solicitation will be calculated using a fixed spread of 50 basis points over the bid side yield on the 5 5/8% U.S. Treasury Note due November 30, 2002, on the second business day immediately preceding the expiration date which has been extended to April 27, 2001. The total consideration includes a consent fee of \$30 per \$1,000 principal amount of the 1999 Notes. Under the terms of the tender offer and consent solicitation, holders may not deliver consents without also tendering their 1999 Notes (Note 6).

NOTE 3 - GAMING TAX INCREASE

On March 22, 2001, the Louisiana Legislature passed a riverboat gaming tax increase. The increase raised the riverboat gaming tax beginning April 1, 2001, on the nine riverboat casinos in southern Louisiana from 18.5% to 21.5%. In return, these riverboats are no longer required to cruise when weather and water conditions allow for safe cruising. For the five riverboat casinos in northern Louisiana, the riverboat gaming tax increase is being phased in over a 25-month period. Effective April 1, 2001, their riverboat gaming tax rate is 19.5%, followed by an annual increase of 1% on April 1, 2002 and 2003. These boats are currently allowed to remain dockside due to low water levels at their locations.

NOTE 4 - MINORITY INTEREST

The Company owns an approximate 60% interest in LCCI. The Company's financial statements include 100% of the assets, liabilities and operations of LCCI. The effects of the minority interest have been reflected in the accompanying balance sheets and statements of operations. During the three-month periods ended February 29, 2000 and February 28, 2001, LCCI paid a cash dividend to the minority holders of its common stock of \$214 and \$355, respectively. On March 5, 2001, LCCI paid a cash dividend to the minority holders of its common stock of \$521.

NOTE 5 - COMMITMENTS AND CONTINGENCIES

In the ordinary course of its business, the Company is involved in legal proceedings including but not limited to proceedings resulting from incidents taking place at casinos it manages, or in which it has an ownership interest. The Company maintains comprehensive liability insurance and also requires casino owners to maintain adequate insurance coverage. In the opinion of management, the ultimate outcome of all such matters should not have a material adverse effect on the financial position of the Company, but, if decided adversely to the Company, could have a material adverse effect upon the Company's operating results during the period in which the litigation is resolved.

LCCI's original five-year gaming license for the Casino Rouge was up for renewal in July 1999. On June 15, 1999, LCCI received conditional license approval from the Board until the completion of their investigation. On March 29, 2001, the Board approved relicensing of LCCI through July 18, 2005, with two conditions. The first condition relates to CRC Gaming Division officer Robert Sturges. The Board stipulated that Mr. Sturges shall not participate in the day-to-day management and operation of LCCI until the Board has a hearing as to whether this condition can be rescinded. LCCI has advised the Board that it will abide by the results of the hearing. The second condition relates to Capitol Lake Properties, Inc. ("CLP"), the landlord of the leased property where Casino Rouge is located. The Board stipulated that the Company shall use good faith efforts to require CLP to comply with all suitability requirements of the Board and the Division of the Louisiana Attorney General's Office. Additionally, the Board required that if a final judgement by a Louisiana court determines that it would not be a default under LCCI's lease with CLP, LCCI shall deposit rental payments and other sums due CLP into escrow or the registry of the court until further order of the court or the Board. CLP, which previously objected to submitting to a suitability investigation by the Board, caused LCCI, on or about November

CRC HOLDINGS, INC. - GAMING DIVISION
NOTES TO FINANCIAL STATEMENTS
(dollars in thousands)

29, 2000, to file suit in the 19th Judicial District Court of Louisiana against CLP. In its action, LCCI seeks a declaratory judgment that CLP must, as a matter of law, submit to a suitability investigation by the Board, and a declaration of what, if any, obligations CLP has under its lease with LCCI to submit to such a suitability investigation. LCCI intends to prosecute the action vigorously, but it is not possible to determine the outcome of the litigation at this time.

Gaming licenses in Ontario are issued for four-year terms. CHC Canada's original gaming license is up for renewal in July 2000. CHC Canada has filed its renewal application and paid its annual renewal fee and its license is deemed to continue to July 2001 pending completion of the re-licensing investigation. CHC Canada and its officers, directors, managers, principal shareholders, including the Company and its officers and directors and key gaming employees, will be subject to strict scrutiny and full suitability investigations and approval by the Ontario Alcohol and Gaming Commission in connection with CHC Canada's renewal application.

CHC Canada believes it will be successful in receiving renewal of its license, but no assurance can be given as to whether or when the license will be renewed, or extent of any restrictions that may be imposed as conditions thereof. The loss, suspension or failure to obtain renewal of the license subject to burdensome conditions, would have a material adverse effect on the Company.

NOTE 6 - SUBSEQUENT EVENTS

On April 24, 2001, consent of the Chippewas of Rama First Nation for Penn's acquisition of CRC was obtained. On April 27, 2001, Penn completed its acquisition of CRC pursuant to the Merger Agreement and repaid the 1999 Notes.

UNAUDITED PRO FORMA CONSOLIDATED FINANCIAL STATEMENTS

On April 27, 2001, Penn National Gaming, Inc. (the "Company" or "PNGI") completed its acquisitions of: (i) CRC Holdings, Inc. and (ii) the minority interest in Louisiana Casino Cruises, Inc. ("LCCI") not owned by CRC (together, "CRC"). The transactions were accounted for as purchases. As a result, the net assets of CRC were recorded at their fair value with the excess of the purchase price over the fair value of the net assets acquired allocated to goodwill. The total purchase price for the acquisitions was approximately \$181.3 million, including the repayment of certain existing debt at CRC and its subsidiaries. The purchase price of the acquisitions was funded by the proceeds of the Company's offering of \$200 million of its senior subordinated notes, which was completed in March 2001.

The following unaudited pro forma consolidated statement of operations for the year ended December 31, 2000 has been prepared giving effect to the acquisition of CRC, the acquisition of the net assets of the Casino Magic Bay St. Louis and Boomtown Biloxi casinos (together, the "Mississippi Properties"), the offering of the Company's \$200 million senior subordinated notes and the tender offer to purchase all of the LCCI 11% senior secured notes as if they occurred on January 1, 2000.

The following unaudited pro forma consolidated statement of operations for the three months ended March 31, 2001 has been prepared giving effect to the acquisition of CRC, the offering of the Company's \$200 million senior subordinated notes and the tender offer of the LCCI 11% senior secured notes as if they occurred on January 1, 2001.

The following unaudited pro forma consolidated balance sheet has been prepared as if the acquisition of CRC and the tender offer of the LCCI 11% senior secured notes occurred on March 31, 2001.

The unaudited pro forma consolidated financial information should be read in conjunction with the notes hereto and the following:

- o The Company's historical consolidated financial statements and notes thereto for the year ended December 31, 2000 included in the Company's Annual Report on Form 10-K.
- o The Company's historical consolidated financial statements and notes thereto for the three months ended March 31, 2001 included in the Company's Quarterly Report on Form 10-Q.
- o The historical financial statements and notes thereto of CRC Holdings, Inc.-Gaming Division included elsewhere in this Form 8-K.

NOTES TO UNAUDITED PRO FORMA CONSOLIDATED
STATEMENTS OF OPERATIONS
(AMOUNTS IN THOUSANDS)

The following notes describe the column headings in the pro forma consolidated statements of operations and the pro forma adjustments that have been made to these statements:

- (1) (a) Reflects the audited consolidated historical statement of operations of PNGI for the year ended December 31, 2000.
- (b) Reflects the unaudited consolidated historical statement of operations of PNGI for the three months ended March 31, 2001.
- (2) Represents the combined historical statements of operations for the Mississippi Properties for the period from January 1, 2000 through August 7, 2000. The Company acquired the Mississippi Properties on August 8, 2000 and accounted for the acquisitions by the purchase method of accounting. As a result, the operating results of the combined statements for the period August 8, 2000 through December 31, 2000 are included in the operating results of the Company.
- (3) (a) Reflects the following pro forma adjustments to the operating results as a result of the acquisition of the Mississippi properties:

	Year ended December 31, 2000

Net (decrease) in expense resulting from the depreciation of \$139,400 of property using lives ranging from 5 to 39 years	\$ (243)
Amortization of goodwill of \$56,800 using a life of 40 years	856
Net increase in expense resulting from the amortization of \$10,200 in deferred financing costs over the six-year term of the notes payable under the Company's \$350,000 senior secured credit facility	465

	\$1,078
	=====

- (b) Net increase in interest expense resulting from the \$350,000 senior secured credit facility entered into in August 2000. The proceeds of the credit facility were used to finance the Mississippi acquisitions and to pay off other long-term debt.
- (c) Reflects the income tax adjustments associated with the pro forma adjustments described above and pro forma entry necessary to adjust for Boomtown Biloxi becoming a consolidated tax payor with PNGI upon consummation of the Mississippi acquisition.
- (4) (a) Reflects the audited historical results of operations of CRC Holdings, Inc. - Gaming Division for the year ended November 30, 2000.
- (b) Reflects the unaudited historical results of operations of CRC Holdings, Inc. - Gaming Division for the three months ended February 28, 2001.
